

## QUALITY ASSURANCE POLICY

**The Quality Policy of 1 Offshore is to provide a high quality, professional and efficient service governed by rules and regulations, and to ensure the satisfaction of all the requirements of our customers.**

The Management Team will show leadership and commitment, and lead the responsibility for establishing, implementing, integrating and maintaining the Quality Management System.

The Management Team will commit to ensure sufficient resources are made available within the Organization to achieve this.

The Management Team will commit to ensure through communication, engagement, practical example and training that Quality is the aim of all members of the Organization.

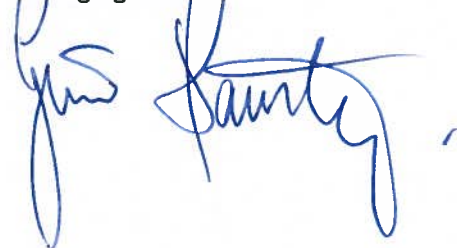

Equally, every employee is responsible for, and will be trained to perform the duties required by his or her specific role.

The Organization has a Policy of promoting continual improvement and setting of Quality Objectives in line with the framework laid down within ISO 9001 Standard. These objectives will address the risks and opportunities within the Organization as determined by Top Management.

The Quality System will be monitored, measured, evaluated and enhanced regularly under the Top Management's ultimate responsibility, with regular reporting and communication of the status and effectiveness at all levels.
